Coach/Helper/Parent-Friendly Summary

How We Use Your Information – A Simple Guide for all

At Bideford Blues & Appledore JFC, child safety and well-being are at the heart of everything we do. When you complete the Membership & Medical Form or registration form, you are giving us information that helps us:

- Keep the child safe during training and matches
- Contact you about fixtures, events and club updates
- Register your child with the FA and relevant leagues
- Respond appropriately in an emergency
- Make sure coaches have the right information to support your child

How We Protect Your Information

- All information is stored securely and only accessed by authorised club officials.
- Coaches may store parent and child contact details on their phones for team communication only.
- We never share information with third parties unless required for safeguarding, FA registration, or emergency services.
- Anyone can change or withdraw consent at any time via your written request.

WhatsApp / Spond Groups

These are optional. Your phone number will be visible to other group members. We never share sensitive information in these groups.

Photography

We only use photos or videos of children if consent is given. These may appear on our website, social media, newsletters or match reports.

CCTV

We use CCTV for security only. Cameras cover external/public areas and **never** changing rooms or private spaces. Footage is stored for 30 days and only authorised officials can access it.

If you ever have questions, concerns or want to update your details, please contact our Club Secretary.
